I, **Deepti Chawla**, Proprietor of **Deepti Chawla & Associates**, Company Secretaries have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **KLJ Resources Limited (CIN: (hereinafter called the company))**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

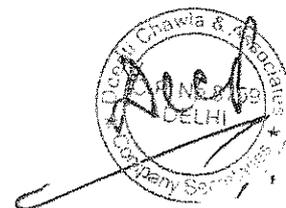

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under; -
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- The Securities and Exchange Board of India (Substantial L67120WB1986PLC041487) Acquisition of Shares and Takeovers) Regulations, 2011;
- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; - Not applicable to the Company during the period of audit
- The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; - Not applicable to the Company during the period of audit
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; - Not applicable to the Company during the period of audit and
- The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; - Not applicable to the Company during the period of audit
- Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008 and Environment (Protection) Act, 1986

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India;
- (ii) The Listing Agreements entered into by the Company with the Calcutta Stock Exchange Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I further report that:

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the following:

(i) The Listing Agreements

- *The policies under the regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are updated and are under review.*

- *The company is not complying with Regulation 3(5) & 3(6) SEBI (Prohibition of Insider Trading) Regulations, 2015*

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There was change in the composition of the Board of Directors that took place during the period under review.

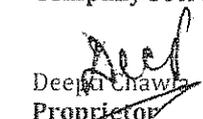

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This Report is to be read with my letter of even date which is annexed along with this Report and forms an integral part thereof.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT FOR THE YEAR 2022-23

### INDIAN ECONOMY

India's economy recovered quickly from the pandemic and further growth is expected to be supported by solid domestic demand and increase in capital investments. As per World Bank report of April 2023, India was one of the fastest growing economies in the world in 2022-23 at 7% growth. The Indian economy demonstrated resilience despite challenges in the global environment on the back of strong demand, support from Government policies and strong banking system. Outlook for Indian economy remains positive for 2023-24 with projected growth at 6.3%. The International Monetary Fund (IMF) and Reserve Bank of India (RBI) estimate real GDP growth of 6.8% in 2022-23 and 6.1% in 2023-24. The agriculture sector has been growing at an average annual rate of 4.6% over the past six years, and the industrial sector is estimated to grow at 4.5% in FY 2022-23. The services sector saw quick recovery in FY 2021-22, growing 8.4% Y-o-Y, and continued to grow in FY 2022-23.

Considering these factors, and assuming an average crude oil price (Indian basket) of US\$ 95 per barrel, inflation is projected at 6.5% in FY 2022-23, with Q4 at 5.7%. On the assumption of a normal monsoon, CPI inflation is projected at 5.3% for FY 2023-24, with Q1 at 5.0%, Q2 at 5.4%, Q3 at 5.4% and Q4 at 5.6%, and the risks evenly balanced. The capital expenditure for FY 2022-23 stands at 2.9% of GDP, indicating the Government's commitment to investing in the country's growth. Moreover, the Government has announced an even larger allocation of 10 lakh crore for the next fiscal year, which demonstrates their long-term vision for the economy. India's direct and indirect tax collections were robust in 2022-23. Direct tax collections increased by 17.63% and indirect tax collections increased by 22% over the previous year. Merchandise and service exports estimated at US\$ 765 billion jumped by 16% during the year 2022-23.

IMD's prediction of 'normal' rains during the current year at 96% of long period average will be good for agricultural sector and rural economy of India. Increased focus on infrastructure development by the Government of India and affordable data pricing has helped the rural and semi urban areas not only in terms of improved employment opportunities and income source but has also brought them closer to urban centres and thereby increasing aspirations for better life style. Rural consumption of FMCG products grew by 8.9% during 2022-23 which indicates increased preference towards quality products.

### INDUSTRY OVERVIEW

The chemical industry is an integral element of the global economy. It serves numerous sectors such as agriculture, construction, automotive, FMCG, consumer durables, electronics, healthcare and many more. The Indian chemical industry is the 6<sup>th</sup> largest producer of chemicals globally and 3<sup>rd</sup> in Asia. India ranks 14<sup>th</sup> in chemical products' exports and 8<sup>th</sup> in imports. The Indian chemical industry stood at US\$ 232 billion in 2022, and is expected to reach US\$ 304 billion by 2025, registering a CAGR of 9.3%. The cumulative FDI equity inflow in the chemical industry (excluding fertilisers) was US\$ 20.96 billion from April 2000 to December 2022. This constituted 3.35% of the total FDI inflow across sectors.

Specialty chemicals constitute 22% of the total chemicals and petrochemicals market in India. The sector is expected to reach US\$ 40 billion by 2025. A significant opportunity for the Indian chemical industry is the increasing demand for specialty chemicals globally. Another opportunity for the industry is the growing demand for green chemicals, which are eco-friendly and sustainable.

For CY 2022, the export value of chemicals and allied products was up by 5% year-on-year, to US\$ 63 billion, while imports were up 22% year-on-year, to US\$ 95.96 billion. The Indian chemical and petrochemical sector is expected to attract an investment worth 8 lakh crore by 2025. The Union Budget 2023 is a growth-oriented, progressive and prudent budget with specific focus on stability, sustainable and inclusive development, announcing various policies which will generate demand for a variety of chemicals including construction chemicals, emission control catalyst, polyurethanes, TPU (Thermoplastic Polyurethane), bio-pesticides, etc. Further changes in Basic Custom Duty rates of various goods like crude glycerin, denatured ethyl alcohol, acid grade fluorspar, specified chemicals for manufacture of precalcined ferrite powder, etc. would provide impetus to the domestic demand for these products.

### BUSINESS OVERVIEW

The Company is primarily engaged in the business of distribution of chemical and petrochemical products. Over a period of time the Company has become one of the leading importers of petrochemical products in India. Due to increasing demand of finished products in India as well as in overseas market, the Company has also entered into manufacturing of wide range of speciality chemicals and de-aromatized solvents including blending of base oils to take lead in the market. Product range of the Company covers a range of paraffins, alcohols, aromatics, ketones, monomers, acetates and amines to name a few. The Company has strong tie-ups with leading global players which ensure cost effective and uninterrupted supply to its customers. With pan India presence of marketing network, storage tanks, drumming and distribution facilities, the Company

leverages on its modern lab testing facilities to provide comprehensive and complete solutions, ensuring satisfaction across the value chain.

During the year under review, on standalone basis the Company achieved total revenue of Rs. 3,82,135.43 lakhs as compared to Rs. 3,24,493.40 lakhs in the corresponding previous year. EBIDTA for the year was Rs. (1,431.39) lakhs as compared to Rs. 24,795.60 lakhs for the previous year. Loss for the year stood at Rs. (2,930.32) lakhs as against profit of Rs. 17,483.64 lakhs in the previous year. Total Comprehensive Income, comprising of Profit/(loss) and other comprehensive income for the year stood at Rs. (2,791.76) lakhs as compared to Rs. 18,015.06 lakhs in the previous year.

During the year under review, on consolidated basis the Company achieved total revenue of Rs. 4,39,991.55 lakhs as compared to Rs. 3,70,449.60 lakhs in the corresponding previous year. EBIDTA for the year was Rs. (197.81) lakhs as compared to Rs. 27,119.21 lakhs for the previous year. Loss stood at Rs. (2,471.84) lakhs as against the profit after tax of Rs. 19,600.61 lakhs in the previous year. Total Comprehensive Income, comprising of Profit/(loss) and other comprehensive income, for the year stood at Rs. (1,889.24) lakhs as compared to Rs. 20,367.24 lakhs in the previous year.

### **STRENGTHS**

Our Company has the following principle competitive strengths:

- Positioned strategically to realize opportunities in the sector
- Experience and end to end expertise in the trading and manufacturing products.
- Sustained investment in equipment and fixed assets
- Professional Board and Management Team

The steady growth of the Company owes itself to the unerring strategy of leveraging its core competencies and drawing heavily upon past experience by Company's management. An effective combination of energy, excellence and endurance is evident everywhere from the operational sites to the administrative division. The result, a holistic growth pattern that has seen the company grow into a preferred choice for its customers.

### **KEY CHALLENGES**

**Volatility in raw material prices:** More than 50% of global petrochemical capacities are based on naphtha, a crude oil derived product. The prices of crude oil products have witnessed significant volatility, thereby making petrochemicals prices highly volatile.

**Increased competition:** Large capacity additions taking place in ethane rich Middle East and demand rich China. Since, ethane based petrochemical products are cheaper than petrochemical products in India, domestic producers are expected to witness margins pressure.

**High entry barriers:** Given the capital intensive nature of the petrochemical plant and tariff barriers, new entrants and small and medium size companies are prohibited from easily entering into the market.

### **OPPORTUNITIES**

**Backward & forward integration:** Given the volatility of crude oil prices and India's heavy dependency on oil imports, there is an opportunity for oil and oil related companies to reap benefits of increase in presence across the value chain.

**More value-added products in portfolio:** Demand for performance plastics such as biodegradable polymers is expected to be on rise across the world including India. Given the environment concerns with traditional plastics, companies should look at expanding their portfolio and include more value added products.

**Increased geographical presence:** Given the capital intensive nature of the project and high costs associated in India (due to no duty waivers, no/ very less tax exemptions and high interest costs), the domestic companies may also look outside for organic and inorganic opportunities.

**Increasing Per Capita consumption:** The per capita consumption of chemicals in India is 1/5<sup>th</sup> of the global average. Consumption of FMCG products and agrochemicals in China is 4 times of India leaving huge headroom for growth.

**Increasing adoption of Speciality Products:** With rising urbanization and industrialization, the demand for engineering and high performance materials is also rising steadily. Growth in the automotive, electronics, consumer goods and construction sectors have also added to the demand.

## **FUTURE OUTLOOK**

The chemical industry which had long been out of favor is finally getting its groove back. Despite a spate of headwinds, the highly cyclical industry has maintained its performance, helped by continued strength across automotive and construction markets, two major end-use markets for chemicals.

Chemical companies continue to shift their focus on attractive growth markets in an effort to cut their exposure on other businesses that are grappling with weak demand. The industry is also seeing a pick-up in consolidation activities as chemical makers are increasingly looking for cost synergy opportunities and enhanced operational scale in a still-difficult global economic environment.

## **RISKS AND CONCERNS**

The Company has framed a Risk Management Policy in accordance with Companies Act, 2013 read with SEBI Regulations. Accordingly, the Company has constituted a Risk Management Committee which reviews the key risks, concerns and mitigation plans at regular intervals. Risk assessment, Risk Management, Risk Monitoring and Risk Mitigation measures are adopted by the Company for timely action. By identifying and proactively addressing risks and opportunities, the objective is to build and maintain sustainable, robust business model and to protect and create value for all the stakeholders, including shareholders, employees, customers, regulators, and the community. Risks related to the Company and our responses to mitigate them are discussed below.

### **Strategic Risks**

Strategic risks refer to long-term strategy and plans of the Company, including risks associated with macro environment, global petrochemical industry, growth projects and competitiveness of our operations. The Company has in place a well-developed framework to mitigate the strategic risks.

It includes *inter alia* supply chain, employee productivity, health and safety of employees and environmental impact and risks to business reputation. The Company is exposed to various risks which impact Company's reputation such as labour relations, product mix, innovations and effective deployment of technology. The Company has in place a crisis management plan and is committed to servicing customers and stakeholders effectively. A key operational component is supply chain of raw materials and the costs associated with it. Supply chain disruptions could increase the operating costs and disruption in supply and volatility in the prices of raw materials poses a significant risk to operations and operating costs. The Company closely monitors the developments in supply chain and effective steps are taken to mitigate all operational risks.

### **Financial Risks**

Financial risks refer to ability of the Company to meet financial obligations and lessen the impact of various factors like interest rates, foreign currency exchange rates etc. The Company always endeavors not to have a significant level of indebtedness and ensures availability of adequate cash to meet operational and working capital requirements as well as adverse situations.

Credit Risk is a threat to any company and in order to mitigate this, the Company undertakes a systematic assessment of the financial health of its customers. Raw material price risks are mitigated through well planned and timely purchases and also by entering into formula-based pricing with customers. Currency fluctuation risks are proactively managed through simple hedge with forward contracts/option.

### **Legal and Compliance Risks**

Legal and compliance risks refer to risks arising from outcome of legal proceedings, government action and/or regulatory action, which could result in additional costs. The Company is subject to various laws, regulations and contractual commitments. The risk of substantial costs, liabilities and damage to reputation related to non-compliance of these laws and regulations are inherent to the Company's business. The Company has policies, systems and procedures in place aimed at ensuring substantial compliance and there is a strong commitment from the management to enforce compliance.

## **INTERNAL CONTROL SYSTEMS**

The company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide assurance that all assets are safeguarded, transactions are authorized, recorded and reported properly; applicable statutes, the code of conduct and corporate policies are duly complied with.

The Company has an internal auditor which conducts audit in various functional areas as per audit programme approved by the Audit Committee of the Board of Directors. The internal auditor reports its findings and observations to the audit committee, which meets at regular intervals to review the audit issues and to follow up implementation of corrective actions.

The committee also seeks the views of statutory auditors on the adequacy of the internal control system in the company. The audit committee has majority of independent directors to maintain the objectivity.

## INDEPENDENT AUDITOR'S REPORT

To the Members of KLJ RESOURCES LIMITED

### Report on the Audit of the Standalone Financial Statements

#### 1. Opinion

We have audited the accompanying standalone financial statements of KLJ RESOURCES LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss and Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian accounting standards (Ind AS) specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2023 and Loss and other comprehensive income, the changes in equity and cash flow for the year ended on that date.

#### 2. Basis for Opinion

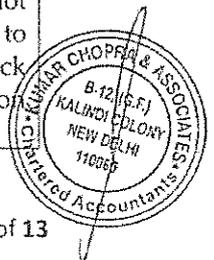

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### 3. Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities section of our audit report including in relation to these matters. Our opinion is not modified in respect of these matters."

S no.	Key Audit Matter	Auditor's response
1.	In respect of parties' balances, confirmations were sought from all the parties at the year end. There are parties who have not sent the confirmations. It has been explained that management has the system of reconciling balances with the parties from time to time during the year. All the parties are having regular business transactions.	In the absence of external confirmations, we as auditors carried out alternative procedures to verify the balances: i. We tested the effectiveness of controls over sale and purchase transactions with the parties and accounting of the same. ii. The transactions of sale/purchase were verified through external bills and invoices to/from the parties. The payments were cross verified from the bank statements of the company. In view of the high magnitude of such transactions we followed SA 530 "Audit Sampling" in this regard.
2.	The physical verification of stock is carried out by the management during the year at various locations so as to cover all the locations during the year. Approved surveyors are also engaged for verification of inventory lying in the bonded warehouse at the port. The inventory is situated at multiple locations and keeping in view the magnitude, nature and specifications of the inventory, technical expertise is required to physically verify the same.	We have followed the following processes: i. We carried out checking of the stock records to verify the stock. Keeping in view the magnitude of transactions, the same has been done as per sample selection basis in accordance with SA 530 "Sample Selection" of ICAI. ii. The records of the physical verification of stock during the year were verified. iii. The report of physical verification as on 31.03.2023 from surveyors in respect of stock lying in the bonded warehouses has been produced for our verification. iv. Keeping in view the location, magnitude and nature of the inventory consisting of Chemicals in containers of voluminous size at the port, and other places, we were not technically competent to personally verify the stock physically and relied on approved surveyor's report.

		v. We also tallied the same with the regular stock records maintained by the company and produced for our verification.

**4. Information other than the standalone financial statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The report is expected to be made available to us after the date of this Auditor's Report.

Our Opinion on the standalone financial statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statement, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

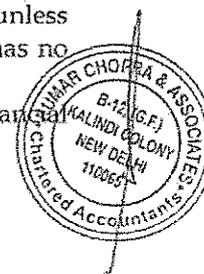

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

**5. Management's Responsibility for the Standalone Financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### 6. Auditor's Responsibilities for the Audit of the Standalone Financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial statements.

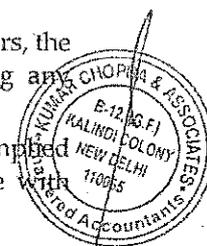

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with

them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

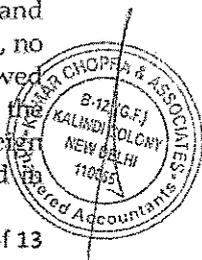

From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore key audit matters. We describe these audit matters in our audit report unless law or regulation precludes public disclosure about the matters and when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## 7. Report on Other Legal and Regulatory Requirements

I. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

II. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash flow statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - a. The company has disclosed the impact of pending litigation on its financial position in its Note No. 44.3 of Standalone Financial statements.
  - b. The company did not have any long-term contracts including derivative contracts. Hence, the question of any material foreseeable losses does not arise.
  - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - d. (i) The Management has represented that, to the best of its knowledge and belief, as disclosed in the note 64 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded

writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

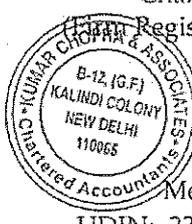

(ii) The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the note 64 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (i) and (ii) of Clause (d) above contain any material misstatement.

- e. The company has declared and paid dividend during the year and the same is in compliance with Section 123 of the Companies Act 2013.
- f. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 on using such accounting software having 'audit trail feature', is applicable for the Company for the financial year commencing on or after the 1<sup>st</sup> April 2023, reporting under clause (g) of rule 11 of the Companies (Audit and Auditors) Rules, 2014 is not applicable for the year under audit.

III. As required by Section 197(16) of the Act, we report that in our opinion and according to the information and explanations given to us, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by provisions of section 197 of the Act.

## ANNEXURE "B" TO INDEPENDENT AUDITOR'S REPORT

Annexure to the Independent Auditors' Report referred to in paragraph 8(II)(f) of our report of even date on the standalone financial statements of KLJ RESOURCES LIMITED for the Year ended 31st March, 2023

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

#### *Opinion*

We have audited the internal financial controls over financial reporting of KLJ Resources Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone Financial statements of the Company for the year ended on that date. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

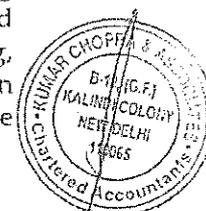

#### *Management's Responsibility for Internal Financial Controls*

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013(the "Act").

#### *Auditors' Responsibility*

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

*Meaning of Internal Financial Controls Over Financial Reporting*

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

*Inherent Limitations of Internal Financial Controls Over Financial Reporting*

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.1 Corporate Information

KLJ Resources Limited ("the Company") is a listed entity incorporated in India. The registered office of the Company is located at 8, Camac Street, Kolkata-700017, India having CIN: L67120WB1986PLC041487. Corporate office at KLJ House, 8A, Shivaji Marg, Najafgarh Road, New Delhi – 110015

The Company is engaged in importing marketing and distribution and blending of Base oils, Aromatics in India. Product range also covers range of Paraffins, Glycol Ethers, Oxo-Alcohols, Aromatics, Monomers, Esters & Amines etc. Company having offices at Delhi, Mumbai, Kandla (Gujarat), Kolkata, Chennai and factory situated at Silvassa.

### 1.2 Basis of Preparation

#### a) Statement of Compliance

These financial statements are separate financial statements and have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian accounting standards) as amendment from time to time.

#### b) Basis of Measurement

The financial statements have been prepared on going concern basis under the historical cost convention and on an accrual basis except for the following which have been valued at Fair value as required under Ind-AS instead of historical cost.

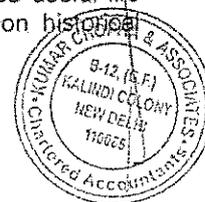

- i. Defined benefit Plan-Gratuity
- ii. Certain Financial assets and liabilities
- iii. Assets held for sale-measured at lower of cost or fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an assets or liability, the company takes into account the characteristics of the assets or liability if market participants would take those characteristics into account when pricing the assets or liability at the measurement date.

#### c) Use of Estimates and Judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of income and expenses. Examples of such estimates include estimates of future obligations under employee retirement benefit plans and estimated useful life of property, plant and equipment actual results may differ from these estimates.

- i. **Useful life of Property, Plant and equipment (PPE):** The company depreciates PPE on a Written Down Value (WDV) over estimated useful lives of the assets. The charge in respect of periodic depreciation is derived based on an estimate of an asset's expected useful life and the expected residual value at the end of its life. The lives are based on historical

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

experience with similar assets as well as anticipation of future events, which may impact their lives, such as changes in technology. The estimated useful life is reviewed at least annually.

- ii. **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates.

Under the projected unit credit (PUC) method a projected accrued benefit is calculated at the beginning of the period and again at the end of the period for each benefit that will accrue for all active members of the plan. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- iii. **Useful life of Intangible assets:** Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset will flow to the enterprise and the cost of the asset can be measured reliably.

The Company amortizes intangible assets on a Written Down Value (WDV) over estimated useful lives of the assets. The useful life is Estimated based on a number of factors including the effects of obsolescence, demand, competition and other economic factors such as the stability of the industry and known technological advances and the level of maintenance expenditures required to obtain the expected future cash flows from the assets. The estimated useful life is reviewed at the end of each annual reporting period.

- iv. **Expected credit losses on financial assets:** The company provides for impairment provisions of trade receivables based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the expected credit loss calculation based on the Company's history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

- v. **Leases:**

Ind AS 116 defines a lease term as the noncancelable period for which the lessee has the right to use an underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Company considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term is included in the lease term, if it is reasonably certain that the lessee would exercise the option. The Company reassesses the option when significant events or changes in circumstances occur that are within the control of the lessee.

- vi. **Impairment of tangible and intangible assets other than goodwill:** As at the end of each accounting year, the Company reviews the carrying amounts of its PPE, Investment property Investments and Intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property, Investments and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Estimates and underlying assumptions are reviewed on a periodic basis. Future results could differ due to changes in these estimates and difference between the actual result and the estimates are recognised in the period in which the results are known /materialize.

### 1.3 Cash and Cash Equivalent

Cash and cash equivalents refers to the line item on the balance sheet that reports the value of a company's assets that are cash or can be converted into cash immediately. Cash equivalents include bank accounts and marketable securities such as commercial paper and short-term government bonds. Cash equivalents have maturities of three months or less.

### 1.4 Exceptional items

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the Notes to Accounts.

### 1.5 Investments

1) Investments in Subsidiaries & Associates

Investments in subsidiaries and associates are accounted for at cost less impairment loss, if any.

2) Other Investments

All other investments are measured at fair value, with value changes recognized in Statement of Other Comprehensive Income.

### 1.6 Inventories

Items of inventories are valued at lower of specific cost or net estimated realizable value after providing for obsolescence, if any. Inventory of raw materials lying at factory are valued on FIFO Basis.

Cost of inventories comprises of cost of purchase, cost of transport, cost of conversion and other costs including manufacturing /other overheads incurred in bringing them to their respective present location and condition. Inter-unit goods transfers are valued at lower of cost/ net estimated realizable value.

Non duty paid goods lying at port has been valued without Basic Custom Duty due to uncertainty of quantum of material to be sold against transfer of ownership/ duty paid.

### 1.7 Cash Flow Statement

Cash flow statement is reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

**1.8 Property, Plant and Equipment and Depreciation / Amortization**

- a) Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any.

Cost of asset includes the following:

- i. Cost directly attributable to the acquisition of the assets
  - ii. Incidental expenditure during the construction period is capitalized as part of the indirect construction cost to the extent to which the expenditure is directly related to construction or is incidental thereto.
  - iii. Present value of the estimated costs of dismantling & removing the items & restoring the site on which it is located if recognition criteria are met.
- b) Cost of replacement, major inspection, repair of significant parts and borrowing costs for long-term construction projects are capitalised if the recognition criteria are met.
- c) Upon sale of assets cost and accumulated depreciation are eliminated from the financial statements and the resultant gains or losses are recognized in the statement of profit and loss.
- d) Amounts paid towards the acquisition of property, plant and equipment that is yet to be delivered by the supplier / vendor at the reporting date is classified as capital advance; and
- e) Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital work- in-progress.

**Depreciation**

Depreciation on Property, plant and Equipment is provided on Written Down Value (WDV) over the useful life of the assets as specified in Schedule II of the Companies Act, 2013.

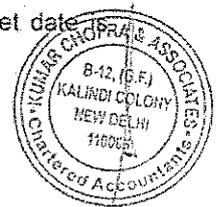

**1.9 Investment Property**

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment Property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment, if any.

**1.10 Intangible Assets and Amortisation**

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/ depreciation and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Cost of items of intangible assets not ready for intended use as on the balance sheet date are disclosed as intangible assets under development.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

Intangible assets are amortized over the estimated useful life. The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any change in the estimate being accounted for on a prospective basis.

#### 1.11 Impairment of non-financial assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value and impairment loss is charged to the Statement of Profit & Loss in the year in which an asset is identified as impaired. At each reporting date company assesses the estimate amount of impairment loss. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount and such losses either no longer exists or has decreased. Reversal of impaired loss is recognized in the Statement of Profit & Loss. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

#### 1.12 Revenue Recognition

The Company derives revenues primarily from sale of traded goods, manufactured goods and related services.

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers'.

There is no effect on adoption of Ind-AS 115. Revenue is recognized on satisfaction of performance obligation which is treated as satisfied upon transfer of control of promised products or services to customers on output method in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

- b) Contingent assets is disclosed where an inflow of economic benefits is probable.
- c) Contingent Liability and Provisions needed against Contingent Liability and Contingent Assets are reviewed at each Reporting date.
- d) Contingent Liability is net of estimated provisions considering possible outflow on settlement.

**1.19 Earnings Per Share**

In determining earnings per share, the Company considers the net profit attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year. The dilutive earning per share is same as basic earning per share as there is no dilution involved during the year.

**1.20 Fair Value Measurement**

Company measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

**1.21 Dividend to equity holders**

Dividend paid/payable shall be recognised in the year in which the related dividends are approved by shareholders or board of directors as appropriate.

**1.22 Financial instruments:-**

a) **Initial recognition and measurement**

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

b) **Subsequent measurement**

**A. FINANCIAL ASSETS**

i. **Financial Assets At Amortized Cost**

A financial asset shall be measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. **Fair value through Other Comprehensive Income.**

A financial asset is classified as at the FVTOCI if it is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments.

iii. **Fair value through Profit and loss account**

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

**B. FINANCIAL LIABILITIES**

a) **Financial liabilities at Amortized Cost**

Financial liabilities at amortized cost are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

b) **Financial liabilities at FVTPL**

The company has not designated any financial liabilities at FVTPL.

c) **Financial Guarantee Contracts**

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss if incurs because the specified debtors fails to make the payments when due in accordance with term of debt instrument financial guarantee contract are recognized initially as liability at fair value, adjusted for transition cost that are directly attributed the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind As 109 and the amount initially recognized less cumulative income recognized in accordance with principal of Ind AS115.

**C. Derivative financial instruments**

The Company holds derivative financial instruments such as foreign exchange forward and options contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

This category includes derivative financial assets or liabilities which are not designated hedges.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

Although the Company believes that these derivatives constitute hedges from an economic perspective, they do not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated as hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income.

**d) Derecognition**

**Financial Asset**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized only when the contractual rights to the cash flows from the asset expires or it transfers the financial assets and substantially all risks and rewards of the ownership of the asset.

**Financial Liability**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the income statement.

**e) Impairment of financial assets:**

The company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 45(b) details how the company determines whether there has been significant increase in credit risk.

For trade receivables only, the companies applied a simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of receivables.

**1.23 Current and Non-Current**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

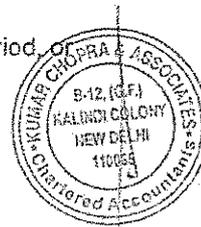

An asset is treated as Current when it is –

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b) Held primarily for the purpose of trading;
- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle;
- b) It is held primarily for the purpose of trading;
- c) It is due to be settled within twelve months after the reporting period.

**KLJ Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.  
Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### 1.24 Leases:

##### As a Lessee

The Company lease asset classes primarily consist of leases for buildings taken on lease. The company assesses whether a contract contains a lease, at inception of a contract. At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use asset is measured by applying cost model i.e. right-of use asset at cost less accumulated depreciation. Right-of use assets are depreciated from the commencement date on a straight-line basis over the lease term.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The carrying amount of lease liability is increased by interest on lease liability and reduce by lease payment made.

##### As a Lessor

Lease income from operating leases where the company is a lessor is recognized in income on straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

##### Transition

Effective April 1, 2019, the company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method, on the date of initial application. Accordingly, Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted.

For the comparative information that is till March 31, 2019, the Company has followed the following accounting policy as a lessee

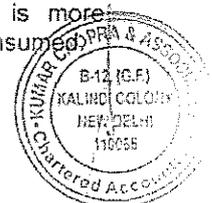

##### Finance Lease:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease.

Assets held under finance leases are initially recognised as Assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

##### Operating Lease:

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

**1.25 Non-current Assets (or disposal groups) held for Sale**

Non-current assets (or disposal groups) are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. The sale is considered highly probable only when the asset or disposal group is available for immediate sale in its present condition, it is unlikely that the sale will be withdrawn and sale is expected within one year from the date of the classification. Disposal groups classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment and intangible assets are not depreciated or amortized once classified as held for sale. Assets and liabilities classified as held for sale are presented separately in the statement of financial position.

If the criteria stated by IND AS 5 "Non-current Assets Held for Sale and Discontinued Operations" are no longer met, the disposal group ceases to be classified as held for sale. Non-current asset that ceases to be classified as held for sale are measured at the lower of

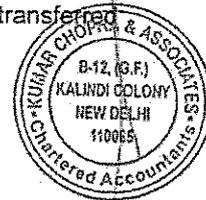

- (i) its carrying amount before the asset was classified as held for sale, adjusted for depreciation that would have been recognised had that asset not been classified as held for sale, and
- (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

**1.26 Units of Measurement:**

All financial information presented in Indian rupees and all values are rounded to the nearest lakhs rupees with two decimal points except where otherwise stated.

**1.27 Business combination**

Business combinations arising from transfers of interest in entities that are under the control of the shareholder who control the Company are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved and they appear in the financial statements of the Company in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the value of net assets and the consequent reduction in value of investment held by the Company is transferred to the capital reserve or to the accumulated balance of profit and loss.

i) The carrying amounts of trade receivables, trade payable, cash and cash equivalents and other short term receivables and payables which are due to be settled within 12 months are considered to be the same as their fair values, due to short term nature.

ii) Borrowings-Current are evaluated by company on parameters such as interest rates, specific country risk factors and other risk factors. Based on this evaluation the fair value of such payables are not materially different from their carrying amount. As the amount is immaterial, no fair valuation is required.

iii) Non-Current Loans given and Security Deposit have been continued at carrying value as measurement Implication are immaterial.

iv) All investments other than subsidiary and associates are measured at fair value, with value changes recognized in Statement of Other Comprehensive Income. Investments in subsidiaries and associates have been carried at cost less impairment loss if any, through Other Comprehensive Income.

(ii) Fair Value hierarchy

Level 1- Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2- Inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3- Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The following table presents the fair value measurement hierarchy of financial assets measured at Fair value :-

(iii) Valuation technique used to determine fair value.

a) Quoted investments have been valued based on market price quotation.

b) Investment in Mutual Funds have been valued as per NAV declared on the balance sheet date.

c) Investments in unquoted equity instruments are not held for trading. They are held for long term strategic purpose. The company has chosen to designate these investments at FVOCI, since it provides a more meaningful presentation.

d) The carrying amount of financial assets and liabilities other than investment are considered to be the same as their fair values.

e) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the company could have realized or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

(iv) Financial risk management

The Company's principal financial liabilities comprise of Borrowings, Trade Payables and others. The main purpose of these financial liabilities is to finance the company's operations. The Company's principal financial assets include Trade Receivables, Loans, cash and cash equivalents and other bank balances that derive directly from its operations.

The Company's is expose to market risk, credit risk and liquidity risk. The company financial risk activities are governed by appropriated policies and procedures and that financial risk are identified, measured and managed in accordance with the companies policies and risk objectives. The board of directors reviews and agrees policies for managing each of these risk, which are summarised below:-

**b) Credit risk**

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set periodically reviewed on the basis of such information.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss. The company has made adequate provisions towards doubtful advances in books of accounts and do not perceive any further credit risk in respect of loans and advances. The company has given the bank guarantee on behalf of K L J Resources DMCC (Subsidiary) of Rs. 11304.62 (FY-Rs.8338.78)

The Company has used a practical expedient by way of computing the expected credit loss for trade receivables based on provision matrix. The matrix also takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and falls as given in the provision matrix

The provision matrix at the year end is as follows.

The Writeoff happened in FY 17-18 and Company is of the view that this is one of incident and management is of view that bad debts are not bound to reoccur again. Accordingly there is no need to create a Expected Credit loss provision for such Financial Assets. The company has made adequate provisions towards doubtful advances in books of accounts and do not perceive any further credit risk in respect of loans and advances

**iii) Financial Instruments and cash deposits**

Credit risk from balances with banks and financial institutions is managed in accordance with the companies policy. Investment of surplus are made only with approved with counterparty on the basis of the financial quotes received from the counterparty.

**c) Liquidity risk**

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they become due. The company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the company's reputation. The company's principal sources of liquidity are cash and cash equivalents, cash flow that is generated from operations and the borrowings from Directors and Banks. The company believes that the working capital is sufficient to meet its current requirements. Any short term surplus cash generated, over and above the amount require for working capital management and operational requirements, are given as interest bearing loans repayable on demand.

**v) Extension and termination options**

The Company has lease contracts for which are used for regular operations of its business. There are several lease contracts that include extension and termination options which are further discussed below.

The Company has several lease contracts that include extension and termination options which are used for regular operations of its business. These options are negotiated by management to provide flexibility in managing the Company's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised.

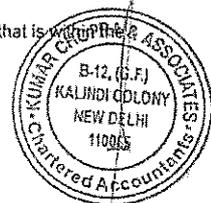

**vi) Critical judgements in determining the lease term**

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

The assessment is reviewed if a significant event or a significant change in circumstances occurs which affects this assessment and that is within the control of the lessee.

**vii) Discount Rate**

Discount rate at which the lease liability is recognised as on the initial application is 10%

Note 61. The previous years figures have been regrouped and reclassified, to the extent necessary, to conform to the current years figures.

**Note 62. Financial Viability**

The Company has made detailed assessment of its liquidity position for the next one year and of the recoverability and carrying values of its assets and liabilities, and based on the internal and external information up to the date of approval of these financial statements including credit reports and economic forecasts, has concluded that no adjustments are required to be made in the financial results.

The management believes that it has considered all the possible impact of known events arising in the preparation of financial results. Further company is of the opinion that there is certainty that company will be able to meet its all-financial commitments due in next one year.

**INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF KLJ RESOURCES LIMITED**

**Report on the Audit of the Consolidated Financial Statements**

**1. Opinion**

We have audited the accompanying Consolidated financial statements of **KLJ RESOURCES LIMITED** ("the Holding Company"), its subsidiaries ("the Holding Company and its subsidiaries together referred to as "the Group") and its associate (Refer Note No 52 of the attached consolidated financial statements) comprising of the Consolidated Balance Sheet as at 31st March, 2023, the Consolidated Statement of Profit and Loss and Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated financial statements")

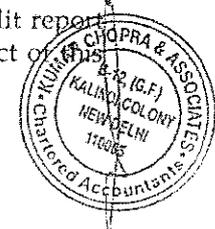

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, referred below in other matter paragraph, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian accounting standards (Ind AS), of the consolidated state of affairs of the Group and its associate as at 31st March, 2023, and their consolidated Loss and other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

**2. Basis for Opinion**

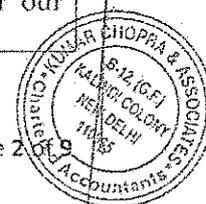

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**3. Key Audit Matters:**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities section of our audit report including in relation to these matters. Our opinion is not modified in respect of this matter.

S no.	Key Audit Matter	Auditor's response
1.	In respect of parties' balances, confirmations were sought from all the parties at the year end. There are parties who have not sent the confirmations. It has been explained that management has the system of reconciling balances with the parties from time to time during the year. All the parties are having regular business transactions.	In the absence of external confirmations, we as auditors carried out alternative procedures to verify the balances: i. We tested the effectiveness of controls over sale and purchase transactions with the parties and accounting of the same. ii. The transactions of sale/purchase were verified through external bills and invoices to/from the parties. The payments were cross verified from the bank statements of the company. In view of the high magnitude of such transactions we followed SA 530 "Audit Sampling" in this regard.
2.	The physical verification of stock is carried out by the management during the year at various locations so as to cover all the locations during the year. Approved surveyors are also engaged for verification of inventory lying in the bonded warehouse at the port. The inventory is situated at multiple locations and keeping in view the magnitude, nature and specifications of the inventory, technical expertise is required to physically verify the same.	We have followed the following processes: i. We carried out checking of the stock records to verify the stock. Keeping in view the magnitude of transactions, the same has been done as per sample selection basis in accordance with SA 530 "Sample Selection" of ICAI ii. The records of the physical verification of stock during the year were verified. iii. The report of physical verification as on 31.03.2023 from surveyors in respect of stock lying in the bonded warehouses has been produced for our verification. iv. Keeping in view the location, magnitude and nature of the inventory consisting of Chemicals in containers of voluminous size at the port, and other places, we were not technically competent to personally verify the stock physically and relied on approved surveyor's report. v. We also tallied the same with the regular stock records maintained by the company and produced for our verification.

#### 4. Responsibilities of Management and Those Charged with Governance for the Consolidated financial statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated financial statements in terms of requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its Associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

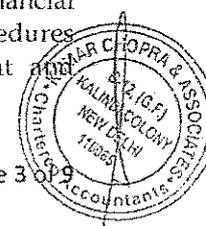

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of the Group and of its associate.

#### 5. Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

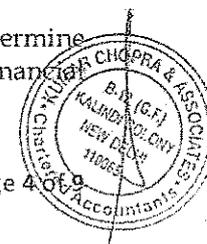

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the consolidated financial

statements of the current period and are therefore key audit matters. We describe these audit matters in our audit report unless law or regulation precludes public disclosure about the matters and when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

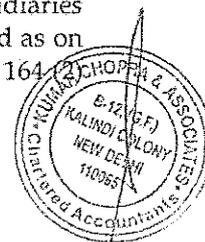

#### 6. Other Matters

We did not audit the financial statements/Consolidated financial statements/financial information of four Indian subsidiaries and one foreign subsidiary (including its subsidiary and associate), whose financial statements/financial information reflect total assets of Rs.20780.70 lakhs as at 31<sup>st</sup> March, 2023, total revenue of Rs. 58247.16 lakhs and net cash outflows amounting to Rs. 1407.69 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit/(Loss) of Rs. (66.72) lakhs for the year ended 31st March, 2023, as considered in the consolidated financial statements in respect of one associate whose financial statements / financial information have not been audited by us. These financial statements/financial information of have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate, is based solely on the reports of such other auditors.

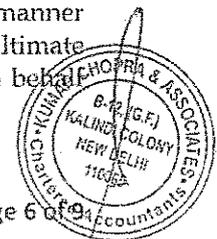

Our opinion on the Consolidated financial statements, and our report on the legal and regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/ financial information certified by the Management.

#### 7. Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid Consolidated financial statements.
  - b. In our opinion, proper books of account as required by law relating to consolidated financial statements have been kept so far as it appears from our examination of those books.
  - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash flow statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.
  - d. In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2023 taken on record by the Board of Directors of Holding Company and the reports of auditors of its subsidiaries and associates incorporated in India, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

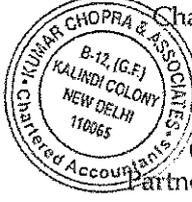

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's report of the holding company, subsidiaries companies and associate incorporated in India. Our report expresses an unqualified opinion that the holding company, subsidiaries companies and associate which are companies incorporated in India, have in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting was operating effectively as at March 31, 2023.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The group and its associate does not have pending litigations hence, there is no impact on the consolidated financial position.
  - ii. The group and its associate does not have any material foreseeable losses on long-term contracts including derivative contracts.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary and associate.
  - iv. a. The respective Managements of the Company and its subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, associates and joint ventures respectively that, to the best of their knowledge and belief, as disclosed in the Note No. 63 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries, associates and joint ventures to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries, associates and joint ventures ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - b. The respective Managements of the Company and its subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, associates and joint ventures respectively that, to the best of their knowledge and belief, as disclosed in the note no. 63 to financial statements, no funds have been received by the Company or any of such subsidiaries, associates and joint ventures from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries, associates and joint ventures shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (a) and (b) of Clause (iv) above contain any material misstatement.
- II. Only the parent company has declared and paid dividend during the year and the same is in accordance with section 123 of the Act.
- III. As required by Section 197(16) of the Act, we report that in our opinion and according to the information and explanations given to us, the holding Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by provisions of section 197 of the Act and in case of subsidiary companies and associate company based on audit reports of the respective statutory auditors, Companies have not paid/provided any managerial remuneration. In respect of managerial remuneration paid by foreign subsidiary, the provisions of section 197 of the Act are not applicable.
- IV. As required by the paragraph 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"/"CARO"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we report that there are no qualifications or adverse remarks in the CARO report given by auditors of companies incorporated in India, included in consolidated financial statements.

**ANNEXURE "A" TO INDEPENDENT AUDITOR'S REPORT**

Annexure to the Independent Auditors' Report referred to paragraph 6(f) of our report of even date on the Consolidated financial statements of KLJ RESOURCES LIMITED for the Year ended 31st March, 2023

**Report on the Internal Financial Controls with reference to the consolidated financial statements under Section 143(3)(i) of the Companies Act, 2013 ("the Act")**

*Opinion*

In conjunction with our audit of consolidated financial statements of the KLJ Resources LIMITED ("the Holding Company"), as of and for the year ended 31 March 2023, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary company, as of that date.

In our opinion, the Holding Company and its subsidiary company have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2023, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. (the "Guidance Note")

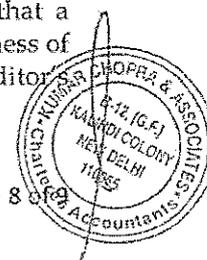

*Management's Responsibility for Internal Financial Controls*

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the "Act").

*Auditors' Responsibility*

Our responsibility is to express an opinion on the internal financial controls with reference to the consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the consolidated financial statements includes obtaining an understanding of internal financial controls with reference to the consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in term of their reports referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls with reference to the consolidated financial statements.

*Meaning of Internal Financial Controls with reference to the consolidated financial statements*

A company's internal financial controls with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

*Inherent Limitations of Internal Financial Controls with reference to the consolidated financial statements*

Because of the inherent limitations of internal financial controls with reference to the consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to the consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

*Other Matter*

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one subsidiary company, which is a company incorporated in India, is based on the corresponding reports of the auditors of such company incorporated in India.

The Company & its foreign subsidiary are engaged in the business of trading/ manufacturing of chemicals. Other six Indian subsidiaries are primarily engaged in the business of real estate. one subsidiary and one Indian Associate is primarily engaged in the business of trading & manufacturing.

The consolidated financial statements relate to KLJ Resources Ltd., its subsidiary companies & associate.

### **1.2 Basis of Preparation**

#### **a) Statement of Compliance**

These consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian accounting standards) Amendment Rules 2016.

#### **b) Basis of Measurement**

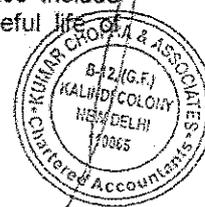

The consolidated financial statements have been prepared under the historical cost convention and on an accrual basis except for the following which have been valued at Fair value as required under Ind-AS instead of historical cost.

- i. Defined benefit Plan-Gratuity
- ii. Certain Financial assets and liabilities
- iii. Assets held for sale-measured at lower of cost or fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an assets or liability, the group takes into account the characteristics of the assets or liability if market participants would take those characteristics into account when pricing the assets or liability at the measurement date.

#### **c) Use of Estimates and Judgment**

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of financial statements and the reported amount of income and expenses. Examples of such estimates include estimates of future obligations under employee retirement benefit plans and estimated useful life of property, plant and equipment actual results may differ from these estimates.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

- i. **Useful life of Property, Plant and equipment (PPE):** The group depreciates PPE on a Written Down Value (WDV) over estimated useful lives of the assets. The charge in respect of periodic depreciation is derived based on an estimate of an asset's expected useful life and the expected residual value at the end of its life. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their lives, such as changes in technology. The estimated useful life is reviewed at least annually.
- ii. **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates.

Under the projected unit credit (PUC) method a projected accrued benefit is calculated at the beginning of the period and again at the end of the period for each benefit that will accrue for all active members of the plan. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- iii. **Useful life of Intangible assets:** Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset will flow to the enterprise and the cost of the asset can be measured reliably.

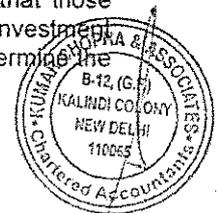

The Group amortizes intangible assets on a Written Down Value (WDV) over estimated useful lives of the assets. The useful life is Estimated based on a number of factors including the effects of obsolescence, demand, competition and other economic factors such as the stability of the industry and known technological advances and the level of maintenance expenditures required to obtain the expected future cash flows from the assets. The estimated useful life is reviewed at the end of each annual reporting period.

- iv. **Expected credit losses on financial assets:** The group provides for impairment provisions of trade receivables based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the expected credit loss calculation based on the Group's history of collections, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

v. **Leases:**

Ind AS 116 defines a lease term as the noncancelable period for which the lessee has the right to use an underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Group considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term is included in the lease term, if it is reasonably certain that the lessee would exercise the option. The Group reassesses the option when significant events or changes in circumstances occur that are within the control of the lessee.

- vi. **Impairment of tangible and intangible assets other than goodwill:** As at the end of each accounting year, the Group reviews the carrying amounts of its PPE, Investment property Investments and Intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property, Investments and intangible assets are tested for impairment so as to determine

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017.**

impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Estimates and underlying assumptions are reviewed on a periodic basis. Future results could differ due to changes in these estimates and difference between the actual result and the estimates are recognised in the period in which the results are known /materialize.

vii. **Units of Measurement:** All financial information presented in Indian rupees and all values are rounded to the nearest lakhs rupees with two decimal points except where otherwise stated.

viii. **Current and Non-Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is –

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b) Held primarily for the purpose of trading;
- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle;
- b) It is held primarily for the purpose of trading;

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

### 1.9 Intangible Assets and Amortisation

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/ depreciation and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Cost of items of intangible assets not ready for intended use as on the balance sheet date is disclosed as intangible assets under development.

Intangible assets are amortized over the estimated useful life. The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any change in the estimate being accounted for on a prospective basis.

### 1.10 Impairment of non-financial assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value and impairment loss is charged to the Statement of Profit & Loss in the year in which an asset is identified as impaired. At each reporting date group assesses the estimate amount of impairment loss. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount and such losses either no longer exists or has decreased. Reversal of impaired loss is recognized in the Statement of Profit & Loss. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

### 1.11 Revenue Recognition

The Group derives revenues primarily from sale of traded goods, manufactured goods and related services.

Effective 01 April 2018, the Group has adopted Indian Accounting Standard 115 (Ind AS 115) 'Revenue from contracts with customers'.

There is no effect on adoption of Ind-AS 115. Revenue is recognized on satisfaction of performance obligation which is treated as satisfied upon transfer of control of promised products or services to customers on output method in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

On each reporting date expected credit loss on receivables is measured and accounted for as per Ind-AS 109.

The Group does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

- v. Deferred tax related to OCI Item are recognized in Other Comprehensive Income (OCI).

**1.16 Provisions**

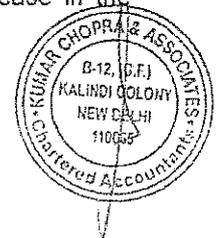

Provision is recognized when:

- i. The Group has a present obligation as a result of a past event, and
  - ii) A probable outflow of resources is expected to settle the obligation and
  - iii) A reliable estimate of the amount of the obligation can be made.
- Reimbursement of the expenditure required to settle a provision is recognised as per contract provisions or when it is virtually certain that reimbursement will be received.

Provisions are reviewed at each Balance Sheet date.

**Discounting of Provisions**

Provision which expected to be settled beyond 12 months are measured at the present value by using pre-tax discount rate that reflects the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

**1.17 Contingent Liabilities and contingent Assets**

- a) Contingent Liabilities are disclosed in either of the following cases:
- i) A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation; or
  - ii) A reliable estimate of the present obligation cannot be made; or
  - iii) A possible obligation, unless the probability of outflow of resource is remote.
- b) Contingent assets is disclosed where an inflow of economic benefits is probable.
- c) Contingent Liability and Provisions needed against Contingent Liability and Contingent Assets are reviewed at each Reporting date.
- d) Contingent Liability is net of estimated provisions considering possible outflow on settlement.

**1.18 Earnings Per Share**

In determining earnings per share, the Company considers the net profit attributable to equity shareholders. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year. The dilutive earning per share is same as basic earning per share as there is no dilution involved during the year.

**1.19 Fair Value Measurement**

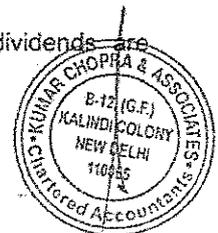

Group measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

**1.20 Dividend to equity holders**

Dividend paid/payable shall be recognised in the year in which the related dividends are approved by shareholders or board of directors as appropriate.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

**1.21 Financial instruments:-**

**a) Initial recognition and measurement**

Financial Instruments are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial instruments.

**b) Subsequent measurement**

**A. FINANCIAL ASSETS**

**i. Financial Assets At Amortized Cost**

A financial asset shall be measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**ii. Fair value through Other Comprehensive Income.**

A financial asset is classified as at the FVTOCI if it is held within a business model whose objective is achieved both by collecting contractual cash flows and, selling the financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The group in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments.

**iii. Fair value through Profit and loss account**

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

**B. FINANCIAL LIABILITIES**

**a) Financial liabilities at Amortized Cost**

Financial liabilities at amortized cost are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method.

**b) Financial liabilities at FVTPL**

The group has not designated any financial liabilities at FVTPL.

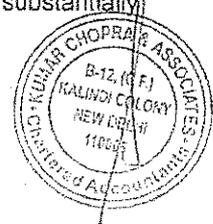

**c) Derecognition**

**Financial Asset**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized only when the contractual rights to the cash flows from the asset expires or it transfers the financial assets and substantially all risks and rewards of the ownership of the asset.

**Financial Liability**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the income statement.

**d) Financial Guarantee Contracts**

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss if incurs because the specified debtors fails to make the payments when due in accordance with term of debt instrument financial guarantee contract are recognized initially as liability at fair value, adjusted for transition cost that are directly attributed the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind As 109 and the amount initially recognized less cumulative income recognized in accordance with principal of Ind AS115.

**e) Impairment of financial assets:**

The group assesses on forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 46(iv)(b) details how the group determines whether there has been significant increase in credit risk.

For trade receivables only, the group applied a simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of receivables.

**1.22 Leases:**

**As a Lessee**

The Group's lease asset classes primarily consist of leases for buildings taken on lease. The group assesses whether a contract contains a lease, at inception of a contract. At the date of commencement of the lease, the group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use asset is measured by applying cost model i.e. right-of use asset at cost less accumulated depreciation. Right-of use assets are depreciated from the commencement date on a straight-line basis over the lease term.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The carrying amount of lease liability is increased by interest on lease liability and reduce by lease payment made.

**As a Lessor**

Lease income from operating leases where the group is a lessor is recognized in income on straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

**Transition**

Effective April 1, 2019, the group adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method, on the date of initial application. Accordingly, Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

For the comparative information that is till March 31, 2019, the Group has followed the following accounting policy as a lessee

**Finance Lease:**

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease.

Assets held under finance leases are initially recognised as Assets of the group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

**Operating Lease:**

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

**1.23 Non-current Assets (or disposal groups) held for Sale**

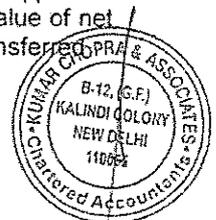

Non-current assets (or disposal groups) are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable. The sale is considered highly probable only when the asset or disposal group is available for immediate sale in its present condition, it is unlikely that the sale will be withdrawn and sale is expected within one year from the date of the classification. Disposal groups classified as held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property, plant and equipment and intangible assets are not depreciated or amortized once classified as held for sale. Assets and liabilities classified as held for sale are presented separately in the statement of financial position.

If the criteria stated by IND AS 5 "Non-current Assets Held for Sale and Discontinued Operations" are no longer met, the disposal group ceases to be classified as held for sale. Non-current asset that ceases to be classified as held for sale are measured at the lower of

- (i) its carrying amount before the asset was classified as held for sale, adjusted for depreciation that would have been recognised had that asset not been classified as held for sale, and
- (ii) its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

**1.24 Business combination**

Business combinations arising from transfers of interest in entities that are under the control of the shareholder who control the Company are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved and they appear in the financial statements of the Company in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the value of net assets and the consequent reduction in value of investment held by the Company is transferred to the capital reserve or to the accumulated balance of profit and loss.

**K L J Resources Limited**  
**Regd. Office : 8, Camac Street, Kolkata – 700017**

**1.25 Goodwill**

Goodwill represents the purchase consideration in excess of the Group's interest in the net fair value of identifiable assets, liabilities and contingent liabilities of the acquired entity. When the net fair value of the identifiable assets, liabilities and contingent liabilities acquired exceeds purchase consideration, the fair value of net assets acquired is reassessed and the bargain purchase gain is recognized in capital reserve. Goodwill is measured at cost less accumulated impairment losses.

**Impairment of Goodwill**

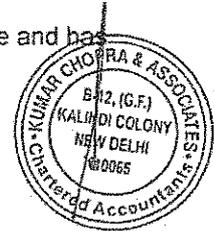

Goodwill is tested for impairment on an annual basis and whenever there is an indication that the recoverable amount of a Cash Generating Unit (CGU) is less than its carrying amount. For the impairment test, goodwill is allocated to the CGU or groups of CGUs which benefit from the synergies of the acquisition and which represent the lowest level at which goodwill is monitored for internal management purposes.

The recoverable amount of CGUs is determined based on higher of value-in-use and fair value less cost to sell. Key assumptions in the cash flow projections are prepared based on current economic conditions and comprises estimated long-term growth rates, weighted average cost of capital and estimated operating margins.

**1.26 Segment Reporting**

The Board of Directors examines the group performance from Geographic perspective and has identified the two segments as follows:-

- a. India
- b. Outside India

i) The carrying amounts of trade receivables, trade payable, cash and cash equivalents and other short term receivables and payables which are due to be settled within 12 months are considered to be the same as their fair values, due to short term nature.

ii) Borrowings-Current are evaluated by company on parameters such as interest rates, specific country risk factors and other risk factors. Based on this evaluation the fair value of such payables are not materially different from their carrying amount. As the amount is immaterial, no fair valuation is required.

iii) Non Current Loans given and Security Deposit have been continued at carrying value as measurement implication are immaterial.

iv) All investments other than subsidiary and associates are measured at fair value, with value changes recognized in Statement of Other Comprehensive Income. Investments in subsidiaries and associates have been carried at cost less impairment loss if any, through Other Comprehensive Income.

(ii) Fair Value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities  
Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)  
Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The following table presents the fair value measurement hierarchy of financial assets measured at Fair value :-

	6,984.82	2,688.25	-	10,673.07

(iii) Valuation technique used to determine fair value

a) Quoted investments have been valued based on market price quotation.  
b) Investment in Mutual Funds have been valued at per NAV declared on the balance sheet date.  
c) Investments in unquoted equity instruments are not held for trading. They are held for long term strategic purpose. The company has chosen to designate these investments at FVOCI, since it provides a more meaningful presentation.

d) The carrying amount of financial assets and liabilities other than investment are considered to be the same as their fair values.

e) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments the fair value estimates presented above are not necessarily indicative of the amounts that the company could have realized or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting date may be different from the amounts reported at each reporting date.

(iv) Financial risk management

The Company's principal financial liabilities comprise of Borrowings, Trade Payables and others. The main purpose of these financial liabilities is to finance the company's operations. The Company's principal financial assets include Trade Receivables, Loans, cash and cash equivalents and other bank balances that derive directly from its operations.

The Company's is expose to market risk, credit risk and liquidity risk. The company financial risk activities are governed by appropriated policies and procedures and that financial risk are identified, measured and managed in accordance with the companies policies and risk objectives. The board of directors reviews and agrees policies for managing each of these risk, which are summarised below:-

a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of changes in market prices. Market risk comprises interest rate risk and foreign currency risk

i) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instruments will fluctuate because of change in market interest rate. Company is not exposed to significant interest rate risk as all the financial instruments which are subject to interest risk are due to be settled within 12 months and carry fixed rate of interest.

ii) Foreign Currency Risk

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flows of an exposure will fluctuate because of changes in foreign currency rates. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee.

K L J Resources Limited  
Regd. Office: B, Connaught Street, Kolkata-700017

The following table shows foreign currency exposures in US Dollar, Euro, AED on financial instruments at the end of the reporting period. The exposure to all other foreign currencies are not material.

b) Credit risk

i) Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set periodically reviewed on the basis of such information.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss. The company has made adequate provisions towards doubtful advances in books of accounts and do not perceive any further credit risk in respect of loans and advances. The company has given the bank guarantee on behalf of KLJ Resources DMCC (Subsidiary) of Rs. 11304.82 (PY-Rs 8338.78)

The Company has used a practical expedient by way of computing the expected credit loss for trade receivables based on provision matrix. The matrix also takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and refers as given in the provision matrix.

The provision matrix at the year end is as follows.

Particulars	Expected Credit loss (Percentage)	
	FY 22-23	FY 21-22

Provision for expected credit loss made in accordance with Ind AS 109 due to which there is change in Trade Receivable

ii) Other Financial Assets

Company makes loans and advances out of its surplus funds to Corporates. In the past 5 years there is only incidence where Bad Debts have been written off. The Writeoff happened in FY 17-18 and Company is of the view that this is one of incident and management is of view that bad debts are not bound to reoccur again. Accordingly there is no need to create a Expected Credit loss provision for such Financial Assets. The company has made adequate provisions towards doubtful advances in books of accounts and do not perceive any further credit risk in respect of loans and advances.

iii) Financial Instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed in accordance with the companies policy. Investment of surplus are made only with approved with counterparty on the basis of the financial quotes received from the counterparty.

c) Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they become due. The company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the company's reputation. The company's principal sources of liquidity are cash and cash equivalents, cash flow that is generated from operations and the borrowings from Directors and Banks. The company believes that the working capital is sufficient to meet its current requirements. Any short term surplus cash generated, over and above the amount require for working capital management and operational requirements, are given as interest bearing loans repayable on demand.

**v) Extension and termination options**

The Company has lease contracts for which are used for regular operations of its business. There are several lease contracts that include extension and termination options which are further discussed below.

The Company has several lease contracts that include extension and termination options which are used for regular operations of its business. These options are negotiated by management to provide flexibility in managing the Company's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised.

**vi) Critical judgements in determining the lease term**

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not terminated).

The assessment is reviewed if a significant event or a significant change in circumstances occurs which affects this assessment and that is within the control of the lessee.

**vii) Discount Rate**

Discount rate at which the lease liability is recognised as on the initial application is 10%

**Note 64: Disclosure as per Ind AS 103 Business Combination**

**Acquisitions accounted for under purchase method of accounting**

**Description of Business combination**

The group's business acquisitions are accounted for under the purchase method of accounting in accordance with the IND AS's Accordingly, for acquisitions made and accounted as per purchase method of accounting, the consideration paid by the group for the businesses purchased is allocated to the tangible and intangible assets and liabilities acquired based upon their estimated fair values as of the date of the acquisition. The excess of the purchase price over the estimated fair value of assets acquired and liabilities assumed is recorded as goodwill. Recognized goodwill pertains, in part, to the value of the expected synergies to be derived from combining the operation of the businesses acquired and including the value of the acquired workforce.

While the group uses best estimates and assumptions to accurately value assets acquired and liabilities assumed at the acquisition date as well as contingent consideration, where applicable, during the measurement period, which may be up to one year from the acquisition date, significant adjustments to the assets acquired and liabilities assumed may be recorded with the corresponding offset to goodwill/capital reserve

Upon the conclusion of the measurement period or final determination of the values of assets acquired or liabilities assumed, whichever comes first, any subsequent adjustment are recognised in the consolidated statement of Profit and Loss account.
